INFORMATION & GROUP MEMBERSHIP APPLICATION

Victorian Quilters Inc would like to promote their member groups. In order to do this we require information about your group, eg where and when you meet, special functions like your exhibitions, quilt-in, etc. This information can also be put on our web site for greater coverage.

Mission Statement:

The aim of Victorian Quilters Inc. is to bring quilters throughout Victoria together, promoting the art of patchwork and quilting, while supporting and encouraging the establishment and activities of quilting groups.

Victorian Quilters Inc. aims to foster interest in the history of patchwork and quilting, as well as to encourage high standards of design and workmanship in both traditional and contemporary areas.

We sponsor and support patchwork and quilting activities, specifically lectures, workshops and exhibitions.
