

2019 WORKSHOP

Award winning quilters, Beth and Trevor Reid from Canberra will be conducting a two day workshop “**Say it with Flowers**” for our members and friends on Sunday 18th and Monday 19th August 2019 at the Ivalda Masonic Centre, Salisbury Avenue, Ivanhoe.

- This workshop is based on garden flower designs placed on a complementary backing fabric. You can choose to work on small pieces, a wall quilt, or the beginnings of a larger quilt.
- Work with your own sketches (Trevor will be happy to give assistance in completing your own design), or traceable drawings can be provided if you are uncertain about drawing your own.
- The painting is a free flowing wash and the design is loosely cut out and applied by Vliesofix.
- You will learn painting on cotton fabric with hi strike fabric paints, basic colour theory, sketching simply to give sense to a drawing without botanical accuracy.

The cost of the two day class will be \$150 for members and \$200 for non-members.

Application forms for this workshop are available on our website
